Course Introduction:

This course continues the development of basic listening, speaking and grammar skills of conversational Korean begun in KOR101. It includes further introductory reading and writing for beginners with an introduction to Korean culture.

Course Objectives:

It is hoped that the student will be able to achieve the following objectives by the end of the course:

- Listening:** Identify and understand the main idea of spoken word in simple social exchanges.
Speaking: Engage in exchanges that are common to everyday events, such as: greetings, personal introductions, and other conversational situations the students are likely to face in daily life.
Reading: Students will be able to read elementary readings in Korean, and identify and understand main ideas of reading materials written in Korean.
Writing: Students should be able to compose words, notes, and letters in Korean.

Required Texts:

Young-Mee Cho and etc., *Integrated Korean*. Hawaii: University of Hawaii Press, second edition.

Mee-Jeong Park and etc., *Integrated Korean Workbook Beginning 1*. Hawaii: University of Hawaii Press, second edition.

Classroom Policies:

1. Attendance and participation at all class sessions.
2. Please turn off electronic devices before class begins.
3. Laptops and iPads are allowed with permission and only for work pertaining to class.

Exams:

The dates for mid-term and final exam will be announced by the instructor. A rough course schedule is attached.

Mini-Quizzes:

Mini-quizzes will be given in class regularly to check on the students' comprehension of the instructional material. The content of each mini-quiz will be announced in class.

Homework:

Student is responsible for the completion of all homework assigned. The instructor will try to give homework every class to the students to be done before the next class. **The student is responsible for homework even if he/she missed the previous class.** If student is absent, make sure you find out what the homework is for the next class from the instructor or class schedule.
