Spring 2000/HH118

Instructor: Dorothy M. Goldsborough, Ph.D., Assoc. Professor
Ph: 735-4873/(h)239-8475 Office Hours: By Appointment

Textbooks: Goode, Erich, *Drugs in American Society*, 4th ed. (1993) New York: McGraw-Hill.
Marnell, Tim, Ed., *Drug Identification Bible*, 4th ed. (199) Denver, CO.

Course Description: An examination of the history of drugs, current trends of drug abuse, enforcement and correctional attributes, methods of treatment.

Course Objectives: At the end of this course the student should be able to:

- Identify and codify licit and illicit drugs.
- Know the federal and HI state penalties for possession, using, and dealing.
- Critically analyze present legislation and enforcement techniques.

Attendance: Attendance is an expected and necessary requirement of this course. Numerous absences will impact adversely on the student's grade. Five absences are allowed without excuses. Emergencies should be documented with a valid excuse acceptable to the Dean. Students will lose one point for each unexcused absence.

Reading Assignments It is expected that ALL reading assignments will be completed prior to the class for which they are assigned to allow for active participation in class discussions. Students will be asked to bring in timely articles regarding drug policy and criminal behavior to be discussed by the class.

Grading Policy:

Four essay assignments @10	= 40%
One Midterm examination	= 15%
Research paper	= 25%
Attendance and participation	= 20%
