SPEECH 310: INTERCULTURAL COMMUNICATION

Course Description and Objectives

This course provides an introduction to communication between people from different cultures. Course content focuses on the application of theory and research to intercultural communication. Specifically, this course is designed to:

- 1. Increase understanding of the relationship between culture and communication;**
- 2. Provide an intellectual framework that allows description and understanding of communication between culturally heterogeneous individuals;**
- 3. Explain the role of cultural patterns, verbal codes, and nonverbal codes in the development of intercultural interpersonal relationships;**
- 4. Describe obstacles to competent intercultural communication;**
- 5. Develop communication skills that improve competence in intercultural communication;**
- 6. Develop awareness of the dimensions of the diversity *of* cultures;**
- 7. Better understand the impact *of* changes occurring in the world community;**
- 8. Develop an awareness of the American/Western culture in the context of an international community;**
- 9. Work effectively in an intercultural group/team;**
- 10. Complete a brief research/study relating to cultural understanding.**
