	<p><u>Late Policy:</u></p> <ul style="list-style-type: none"> • No more than 2 late assignments will be accepted, unless previous arrangements have been made with me. • Late assignments will be accepted up to one week after the original due date with a 50% grade deduction. • Weekly discussions will not be accepted late.
Signature Assignment	Curriculum Plan
Other Assignments	<p>A. Participation - Students will be evaluated on their participation in class by contributing to weekly discussions.</p> <p>Learning is a collaborative endeavor. You will be required to do weekly on-line discussions. Each week, you will need to read the postings of your classmates and/ or professor; and write a meaningful response/reflection to them. You must make a minimum of two responses per week. (20 points, 2 points per week). Complete assigned readings each week. Entries should reflect an understanding and mastery of the text.</p> <p>Check Announcements Daily for important updates and suggestions.</p> <p>Check Canvas and Chaminade Student Email Daily.</p> <p>B. Weekly Discussions: Students must be prepared to discuss weekly readings in Weekly Discussion threads. Each Week is listed separately. Every week look for appropriate thread to share your responses with your classmates. Your original posting should be made by Thursday each week. You are also required to post at least 2 responses to your classmates' discussions by Saturday each week.</p> <p>C. Observation: Submit to Assignments. Child Observation: select a child (other than your own) in an infant, toddler, preschool, kindergarten, or primary grade setting and arrange to observe them for 45 to 60 minutes. Additional instructions for this assignment will be provided in Canvas. This assignment includes a written paper to describe the setting, the child, the focus on your observation, what you observed, and your conclusions.</p> <p>D. Curriculum Plan: Develop a curriculum plan based on one of the theories/program philosophies presented in your e-Text. Be sure to include developmentally appropriate activities specific to your chosen age group.</p>

sources. In addition, the sources of the borrowed material should be correctly acknowledged to avoid plagiarism.

Plagiarism - “Plagiarism is the offering of work of another as one's own. Plagiarism is a serious offense and may include, but is not limited to, the following:

1. Complete or partial copying directly from a published or unpublished source without proper acknowledgment to the author. Minor changes in wording or syntax are not sufficient to avoid charges of plagiarism. Proper acknowledgment of the source of a text is always mandatory.
2. Paraphrasing the work of another without proper author acknowledgment.
3. Submitting as one's own original work (however freely given or purchased) the original exam, research paper, manuscript, report, computer file, or other assignment that has been prepared by another individual.

Please refer to your **Student Handbook**, **General Catalog**, and the **Education Division Policy Manual** for other important institutional and academic policies including more detailed information regarding Plagiarism, Classroom department, Freedom of Expression, Add/Drop, Disabilities, and others.
