COURSE DESCRIPTION

This is an undergraduate-level laboratory course designed to accompany FS 340 the Crime Scene Investigation lecture course. During this course, students will gain practical experience in the various techniques used in processing a crime scene through a series of laboratory exercises and mock crime scenes.

Laboratory and field exercises to provide experience in crime scene search and processing, recognition, collection and preservation of different categories of evidence. Applications of photography to scene documentation. Use of proper personal safety precautions while at crime scene. *Prerequisites: FS 333 or FS 333L. Concurrent registration in FS 340 is required.*

STUDENT LEARNING OBJECTIVES

Each student will finish this class with the ability to:

1. Approach a crime scene safely and methodically
2. Recognize, collect, and preserve different types of physical evidence
3. Document crime scenes completely and accurately
4. Demonstrate the entire sequence of protocols involved in an investigation, from entry to the crime scene until the case is completed

Required Text:

ATTENDANCE:

Students are expected to be in class and to be on time.

EVALUATION OF STUDENT PERFORMANCE

Final grades will be totaled using the following weighting:

Attendance: 10 points = 10%

Lab Exercises: 10 points = 10%

Practical Exam #1: 20 points = 20%

Practical Exam #2: 20 points = 20%

Final Exam: 40 points = 40%

Total: 100 points = 100%

The class will be divide in CSI teams of 4 members

GRADING SCALE:

90 - 100% A

80 - <90% B

70 - <80% C

60 - <70% D

<60% F

Numerical grades containing decimal points **will not** be rounded up during the conversion to letter grades.

KEY POINTS FOR SUCCESS

1. Lab coats, closed-toed shoes, and goggles are required at all times within the laboratory.
2. The maintenance of your personal protective equipment (PPE) is your responsibility. Please inform us immediately if you have issues with your PPE.
3. Attendance and participation is crucial for success in this class and subsequent Forensic Sciences classes.
4. Assigned book chapters must be read before the relevant block.
5. Adhere to the Forensic Sciences Code of Conduct.
6. Check your email and Canvas regularly.

Laboratory Safety Information

The following guidelines are established to provide instructions in maintaining safety for students, staff, and faculty while using any of the science laboratories at Chaminade University. Students are required to sign a safety contract. In addition to adhering to the safety contract, students are required to follow these two rules:

1. Lab coats, closed-toed shoes, and goggles are required at all times within the laboratory.
2. The maintenance of your personal protective equipment (PPE) is your responsibility. Please inform us immediately if you have issues with your PPE.

The Division of Natural Sciences and Mathematics (NSM), along with the University Environmental Safety Office are responsible for enforcing the regulations set forth in the current Student Handbook. Queries should be addressed to: Dean of Natural Sciences and Mathematics (808) 440-4204; Environmental Safety Officer (808) 739-4811

ADAA Statement

Pursuant to several federal and state laws, including the Americans with Disabilities Act of 1990, as amended by the ADA Amendments Act of 2008, and Section 504 of the Rehabilitation Act of 1973, all qualified students with disabilities are protected from discrimination on basis of disability and are eligible for reasonable accommodations or modifications in the academic environment to enable them to enjoy equal access to academic programs, services, or activities. If a student would like to determine if they meet the criteria for accommodations, they should contact the Counseling Center at 808-735-4845 for further information.

Policy on Communication

The University provides a Chaminade email address for all students. Official Chaminade communications will be sent to the students' Chaminade email address and instructors will use this email to communicate with students. It is the responsibility of the student to check their email frequently. Report email-related problems to the Helpdesk at 808-735-4855 or helpdesk@chaminade.edu.

Title IX Declaration

Chaminade University of Honolulu recognizes the inherent dignity of all individuals and promotes respect for all people. Sexual misconduct, physical and/or psychological abuse will NOT be tolerated at CUH. If you have been the victim of sexual misconduct, physical and/or psychological abuse, we encourage you to report this matter promptly. As a faculty member, I am interested in promoting a safe and healthy environment, and should I learn of any sexual misconduct, physical and/or psychological abuse, I must report the matter to the Title IX Coordinator.
