

Fall 2018 Syllabus

Course Code: BI-215-01-1

I. Instructor Information

Dr. Frederique Kandel

frederique.kandel@chaminade.edu

Office: Henry 123B

Office phone: (808) 739-8376

Office hours: M:11:00-Noon & 2:30pm-5:30pm; W:11-Noon; or by appointment

II. Course Information

T-TH

10:00AM - 11:20AM,

Wesselkamper, Room 120

III. Text: ISBN: 9780133922851

Reece, Jane and Lisa Urry, Michael Cain, Steven Wasserman, Peter Minorsky & Robert Jackson. **Campbell Biology**, 11th edition. Publisher: Pearson. Access to the online resource **Mastering Biology is required.** The course ID will be given in class.

IV. Course Title: Cellular & Organismal Bio I BI-215-01-1

V. Course Description: Introduction to animal and plant diversity, with emphasis on form and function, mechanisms of regulation in biological systems, and how organisms exchange materials and energy with their environment.

VI. Learning Outcomes.

Student Learning Outcomes	Linkage to Biology Program Learning Outcomes
Use proper anatomy and physiology terminology	#2) ability to visualize and interpret scientific data, and to communicate science effectively both orally and in writing. #4) An understanding of the chemical and physical principles that unite all life forms, and of biological organization at the molecular, cellular, tissue, organ, organism and systems level.
Describe plant anatomy, organ systems and physiological processes	
Identify animals biological structures and body systems, describe how those body systems relate to each other and be able to explain their general anatomy and physiology	
Gain an appreciation of the diversity of organisms, their evolution, and phylogeny.	

VII. Grading Scale

Grading scale :

A 90 – 100%

B 80 – 89%

C 70 – 79%

D 60 - 69%

F less than 60%

VIII. Assignments and Grading

<u>Specific Assignment</u>	<u>Points</u>	<u>% Of Grade</u>	<u>Due Date</u>
Homework	100	25	As assigned in Mastering
Exam 1	100	25	9/25/2018
Exam 2	100	25	11/13/2018
Final (comprehensive)	100	25	TBA

IX. Additional Departmental and University Policies

1. Electronic Devices

Use of music devices and cell phones is prohibited during all Natural Science and Mathematics classes at Chaminade, unless specifically permitted by your instructor. Use of cellphones and music devices in laboratories is a safety issue. In addition, use of cellphones and music devices in any class is discourteous and may lead to suspicion of academic misconduct. Students who cannot comply with this rule will be asked to leave class and may be subject to laboratory safety violation fines. You will be asked to leave class and marked absent if you do not comply. This will negatively affect your grade. Please refer any questions to the Dean of Natural Sciences and Mathematics.

2. ADAA Statement

2.1 Pursuant to several federal and state laws, including the Americans with Disabilities Act of 1990, as amended by the ADA Amendments Act of 2008, and Section 504 of the Rehabilitation Act of 1973, all qualified students with disabilities are protected from discrimination on basis of disability and are eligible for reasonable accommodations or modifications in the academic environment to enable them to enjoy equal access to academic programs, services, or activities. If a student would like to determine if they meet the criteria for accommodations, they should contact the Counseling Center at 808-735-4845 for further information.

3. Attendance

3.1 Students are expected to attend regularly all courses for which they are registered. Students should notify their instructors when illness or other extenuating circumstances prevents them from attending class and make arrangements to complete missed assignments. Notification may be done by emailing the instructor's Chaminade email address (this is the best way), calling the instructor's campus extension or by leaving a message with the instructor's division office

(Natural Science and Math 1 (808) 440-4204). It is the instructor's prerogative to modify deadlines of course requirements accordingly. Any student who stops attending a course without officially **withdrawing** may receive a failing grade.

3.2 Unexcused absences equivalent to more than a week of classes may lead to a grade reduction for the course. Any unexcused absence of two consecutive weeks or more may result in being **withdrawn** from the course by the instructor, although the instructor is not required to **withdraw** students in that scenario. Repeated absences put students at risk of failing grades.

4. Policy on Make-Up Tests

Make-Up test will be granted only in case of excused absence.

5. Policy on Communication

5.1 The University provides a Chaminade email address for all students. Official Chaminade communications will be sent to the students' Chaminade email address and instructors will use only this email to communicate with students. It is the responsibility of the student to check their email frequently. Report email-related problems to the Helpdesk at 808-735-4855 or helpdesk@chaminade.edu.

6. Laboratory Safety Information

The following guidelines are established to provide instructions in maintaining safety for students, staff, and faculty while using any of the science laboratories at Chaminade University. The Division of Natural Sciences and Mathematics (NSM), along with the University Environmental Safety Office are responsible for enforcing the regulations set forth in the current Student Handbook. Queries should be addressed to: Dean of Natural Sciences and Mathematics (808) 440-4204; Environmental Safety Officer (808) 739-4811

7. Title IX Declaration

Chaminade University of Honolulu recognizes the inherent dignity of all individuals and promotes respect for all people. Sexual misconduct, physical and/or psychological abuse will NOT be tolerated at CUH. If you have been the victim of sexual misconduct, physical and/or psychological abuse, we encourage you to report this matter promptly. Faculty member are interested in promoting a safe and healthy environment, and should they learn of any sexual misconduct, physical and/or psychological abuse, they must report the matter to the Title IX Coordinator. Should you want to speak to a confidential source you may contact the following:

- Chaminade Counseling Center 808 735-4845.
- Any priest serving as a sacramental confessor or any ordained religious leader serving in the sacred confidence role.

8. Academic Honesty

Students are expected to have read and to abide by the "Student Rules of Conduct" which are available in your copy of Chaminade University's Student Handbook. Cheating in the form of plagiarism, collusion, deception and will not be tolerated and will negatively affect your grade.

9. The instructor may modify elements of this syllabus according to the operational needs of the class.

X. Tentative schedule

Date		Topic	Chapter
Tuesday	8/21	Introduction to the course & Science and Life	1
Thursday	8/23	History of life	25
Tuesday	8/28	Descent with Modification	22
Thursday	8/30	Descent with Modification	22
Tuesday	9/4	Phylogeny	26
Thursday	9/6	Phylogeny	26
Tuesday	9/11	Bacteria & Archaea (overview)	27
Thursday	9/13	Protista (overview)	28
Tuesday	9/18	Plant diversity I	29
Thursday	9/20	Plant diversity II	30
Tuesday	9/25	Exam-1	
Thursday	9/27	Overview of Animal diversity	32
Tuesday	10/2	Invertebrates	33
Thursday	10/4	Vertebrates	34
Tuesday	10/9	Vertebrates	34
Thursday	10/11	Basic Principles of Animal Form & Function	40
Tuesday	10/16	Basic Principles of Animal Form & Function	40
Thursday	10/18	Animal Nutrition	41
Tuesday	10/23	Circulation & Gas Exchange	42
Thursday	10/25	Circulation & Gas Exchange	42
Tuesday	10/30	Immune system	43
Thursday	11/1	Hormones & Endocrine System	45
Tuesday	11/6	Hormones & Endocrine System	45
Thursday	11/8	Animal Reproduction & Development	46
Tuesday	11/13	Exam-2	
Thursday	11/15	Nervous system	49
Tuesday	11/20	Nervous system	49
Thursday	11/22	Thanksgiving (no class)	
Tuesday	11/27	Osmoregulation	44
Thursday	11/29	Osmoregulation	44
MONDAY	12/03	FINAL EXAMINATION 8:30 am to 10:30 am
