Course Requirements:

Readings

Multiple readings will be assigned each week to frame our discussion in class. It is vital that the deadlines are followed so that there is genuine class discussion and an opportunity for peer review and learning.

Assignments

Teaching is often thought of as an individual endeavor; however, you will always rely on the other teachers in your school for ideas, support, and encouragement. Therefore, all the assignments in this course will be completed within a group. We will work to integrate the ideas of everyone in class, just as we are integrating the curriculum for our students. The specifics of these assignments are outlined on the course Canvas page. The group assignments you complete will account for 50% of your overall grade in the course.

Attendance:

As stated in the Chaminade University catalog, students are expected to attend all classes for courses in which they are registered. Since our assignments are all group-based, attendance is even more important. When you are absent, everyone in class misses out on hearing your ideas and comments. If we want to have the best class possible, we need everyone to be here every night. Individual attendance will account for 50% of your overall grade in this course. You will see one assignment in Canvas named "Attendance" that is worth 50 points. This is the rubric for that assignment:

# of Absences	# of Points Earned (<i>50 Points Possible</i>)
0 - 3	50
4 - 6	40
7 - 9	35
10 - 12	30
13 - 15	20
16 - 18	15
19 - 21	10
22 or more	0

Collegiality & Professionalism

We will create an open environment where diverse opinions, viewpoints, and perspectives are appreciated and respected. As we perfect the art of teaching, we should be conscious of the fact that our craft can (and should) be approached from multiple perspectives.

Course Communication

Email is the best way to reach me with questions about course assignments or policies. I will answer all emails by the next school day (usually within 24 hours, though weekends may take longer).

Grading:

Assignments should be turned in on the due date noted in the syllabus or otherwise indicated in class; late assignments will result in a loss of points and will negatively impact your grade in the course.

Letter grades for the course will be determined by the following formula:

Group Assignments	50%
Individual Attendance	50%

Letter grades are defined as follows:

A (100-90%)	B (89-80%)	C (79-70%)	F (69-0%)
-------------	------------	------------	-----------

Course Policies:

This syllabus is a guide and every attempt is made to provide an accurate overview of the course. Occasionally, it necessary for the instructor to modify the syllabus during the semester due to the progress of the class, experiences of the students, and unforeseen changes in the schedule. Changes to the syllabus will be made with advance notice whenever possible.
