

# Chaminade University OF HONOLULU

## Course Syllabus

**Course Number:** MA 100-01-1

**Course Title:** Quantitative Reasoning & Math Skills

**Department Name:** Mathematics

**Division Name:** Natural Sciences & Math

**Term:** Fall 2019

**Course Credits:** 3

**Class Meeting Days:** MWF

**Class Meeting Hours:** 10:30-11:20 AM

**Class Location:** HH107

**Instructor Name:** Sheryl Dohm

**Email:** sheryl.dohm@chaminade.edu

**Phone:** 808-739-8561

**Office Location:** HH123

**Office Hours:** Tuesday 1:30 – 2:30

**University Course Catalog Description** A study of various topics including an introduction to sets, logic, number systems, basic skills in algebra and geometry, consumer mathematics, probability and statistics, with an emphasis on problem solving, quantitative and logical thinking. This course fulfills the Track A general education requirement in mathematics. The course is intended as a terminal course and is not a prerequisite for any other course in mathematics. Offered every semester.

### Course Outcomes

1. Demonstrate an understanding of basic mathematical principles needed to function effectively in our world
2. Demonstrate an understanding of basic symbolic reasoning that can be used to describe relationships and patterns found in nature
3. Demonstrate an understanding of the mathematical tools necessary for success in their selected major

### Required Learning Materials

- Thinking Mathematically by Blitzer; Acceptable editions: 6<sup>th</sup> and 7<sup>th</sup> ; ISBN: 9780321867322
- Basic or Scientific Calculator

**Assessment.** Students grades will be based on attendance/class participation and 4 non-cumulative exams.

	Points
Exam 1	100
Exam 2	100
Exam 3	100
Exam 4	100
Attendance/Participation	100
<b>Total Points</b>	<b>500</b>

## Grading Scale

Letter grades are given in all courses except those conducted on a credit/no credit basis. They are interpreted as follows:

A = 90-100% total points

C = 70-79% total points

F < 60% total points

B = 80-89% total points

D = 60-69% total points

## Course Schedule\*

Date	Details
Wk 1; 26-30 Aug	Aloha and Ch2 Set Theory
Wk 2; 2-6 Sept	Ch 2 cont.
Wk 3; 9-13 Sept	Ch 2 Cont. & EXAM 1
Wk 4; 16-20 Sept	Ch 3 Logic
Wk 5; 23-27 Sept	Ch 3
Wk 6; 30 Sept-4 Oct	Ch 3
Wk 7; 7-11 Oct	Ch 3 & EXAM 2
Wk 8; 14-18 Oct	Ch 5 Number Theory
Wk 9; 21-25 Oct	Ch 6 Ratio and Proportions
Wk 10; 28 Oct – 1 Nov	Ch 7 Linear Functions
Wk 11; 4-7 Nov	EXAM 3 & Ch 10 Geometry
Wk 12; 11-15 Nov	Ch 12 Statistics
Wk 13; 18-22 Nov	Ch 13 Voting
Wk 14; 25-29 Nov	Ch 13 Voting
W15; 2-6 Dec	Ch 13 Voting & Review
<b>Thursday, Dec 12, 11:00-1:00</b>	Final - EXAM 4

\*Schedule may be changed, as needed.

### Technical Assistance for Canvas Users:

Search for help on specific topics at [help.instructure.com](http://help.instructure.com). [Chat live with Canvas Support 24/7/365](#). Watch this [video to get you started](#) with online guides and tutorials. Contact the Chaminade IT Helpdesk for technical issues: [helpdesk@chaminade.edu](mailto:helpdesk@chaminade.edu), or call (808) 735-4855

### Tutoring and Writing Services

Chaminade is proud to offer free, one-on-one tutoring and writing assistance to all students. Tutoring and writing help is available on campus at Kōkua `Ike: Center for Student Learning in a variety of subjects (including, but are not limited to: biology, chemistry, math, nursing, English, etc.) from trained Peer and Professional Tutors. Please check Kōkua `Ike's website (<https://chaminade.edu/advising/kokua-ike/>) for the latest times, list of drop-in hours, and information on scheduling an appointment. Free online tutoring is also available via Smarthinking. Smarthinking can be accessed 24/7 from your Canvas account. Simply click Account – Notifications – Smarthinking. For more information, please contact Kōkua `Ike at [tutoring@chaminade.edu](mailto:tutoring@chaminade.edu) or 808-739-8305.

## Alignment of Natural Sciences Courses with Marianist and Hawaiian values of the University.

The Natural Sciences Division provides an *integral, quality education*: sophisticated integrative course content taught by experienced, dedicated, and well-educated instructors.

- We *educate in family spirit* – every classroom is an *Ohana* and you can expect to be respected yet challenged in an environment that is supportive, inclusively by instructors who take the time to personally get to know and care for you.
- We *educate for service, justice and peace*, since many of the most pressing global issues (climate change, health inequity, poverty, justice) are those which science and technology investigate, establish ethical parameters for, and offer solutions to.
- We *educate for adaptation and change*. In science and technology, the only constant is change. Data, techniques, technologies, questions, interpretations and ethical landscapes are constantly evolving, and we teach students to thrive on this dynamic uncertainty.

The study of science and technology can be formative, exploring human creativity and potential in the development of technologies and scientific solutions, the opportunity to engage in the stewardship of the natural world, and the opportunity to promote social justice. We provide opportunities to engage with the problems that face Hawai'i and the Pacific region through the Natural Sciences curriculum, in particular, those centered around severe challenges in health, poverty, environmental resilience, and erosion of traditional culture. The Marianist Educational Values relate to Native Hawaiian ideas of *mana, na'auao, ohana, aloha* and *aina*. We intend for our Natural Sciences programs to be culturally-sustaining, rooted in our Hawaiian place, and centered on core values of *Mai'au*, be neat, prepared, careful in all we do; *Makawalu*, demonstrate foresight and planning; *'Ai*, sustain mind and body; *Pa'a Na'au*, learn deeply.

### Grades of "Incomplete"

Students and instructors may negotiate an incomplete grade when there are specific justifying circumstances. An Incomplete Contract (available from the Divisional Secretary and the Portal) must be completed. When submitting a grade the "I" will be accompanied by the alternative grade that will automatically be assigned after 90 days. These include IB, IC, ID, and IF. If only an "I" is submitted the default grade is F. The completion of the work, evaluation, and reporting of the final grade is due within 90 days after the end of the semester or term. This limit may not be extended.

### Instructor and Student Communication

Questions for this course can be emailed to the instructor, Online, in-person and phone conferences can be arranged. Response time will take place up to 3 days.

### Cell phones, tablets, and laptops

*Music Devices and Cellular Phones*: Unless specifically permitted by your instructor, use of music devices and cell phones is prohibited during all Natural Science and Mathematics classes, as it is discourteous and may lead to suspicion of academic misconduct. Students unable to comply will be asked to leave class. Out of consideration for your classmates, please set your cell phone to silent mode during class. Students are encouraged to bring laptops or tablets to class as the instructor will assign online activities and readings that will require the use of a laptop or tablet. Laptops and tablets should not be misused, such as checking distracting websites. Use your best judgment and respect your classmates and instructor.

### ADA Policy

Statement from the [New Student Handbook](#)

Pursuant to federal and state laws, including the Americans with Disabilities Act of 1990 as amended by the ADA Amendments Act of 2008 and Section 504 of the Rehabilitation Act of 1973, all qualified students with disabilities are protected from discrimination on the basis of disability and are eligible for reasonable accommodations or modifications in the academic environment to enable them to equal access to academic programs, services, or activities. If a student would like to determine if they meet the criteria for accommodations, they should contact the Counseling Center in the Student Support Services

Building, Room 101, by phone at (808) 735-4845 or email: [counselingcenter@chamianade.edu](mailto:counselingcenter@chamianade.edu) for further information. Web: [studentaffairs.chaminade.edu/counseling-center/counseling-services](http://studentaffairs.chaminade.edu/counseling-center/counseling-services)

### **Title IX Compliance**

Chaminade University of Honolulu recognizes the inherent dignity of all individuals and promotes respect for all people. Sexual misconduct, physical and/or psychological abuse will NOT be tolerated at CUH. If you have been the victim of sexual misconduct, physical and/or psychological abuse, we encourage you to report this matter promptly. As a faculty member, I am interested in promoting a safe and healthy environment, and should I learn of any sexual misconduct, physical and/or psychological abuse, I must report the matter to the Title IX Coordinator. If you or someone you know has been harassed or assaulted, you can find the appropriate resources by visiting Campus Ministry, the Dean of Students Office, the Counseling Center, or the Office for Compliance and Personnel Services.

### **Attendance Policy**

The following attendance policy is from the 2019-2020 Academic Catalog : Students are expected to attend regularly all courses for which they are registered. Student should notify their instructors when illness or other extenuating circumstances prevents them from attending class and make arrangements to complete missed assignments. Notification may be done by emailing the instructor's Chaminade email address, calling the instructor's campus extension, or by leaving a message with the instructor's division office. It is the instructor's prerogative to modify deadlines of course requirements accordingly. Any student who stops attending a course without officially withdrawing may receive a failing grade. Unexcused absences equivalent to more than a week of classes may lead to a grade reduction for the course. Any unexcused absence of two consecutive weeks or more may result in being withdrawn from the course by the instructor, although the instructor is not required to withdraw students in that scenario. Repeated absences put students at risk of failing grades. Students with disabilities who have obtained accommodations from the Chaminade University of Honolulu ADA Coordinator may be considered for an exception when the accommodation does not materially alter the attainment of the learning outcomes. Federal regulations require continued attendance for continuing payment of financial aid. When illness or personal reasons necessitate continued absence, the student should communicate first with the instructor to review the options. Anyone who stops attending a course without official withdrawal may receive a failing grade or be withdrawn by the instructor at the instructor's discretion.

### **Academic Conduct Policy**

See the current Undergraduate Academic Catalog and the Student Handbook available from Student Affairs.
