MARIANIST EDUCATIONAL VALUES

This class represents one component of your education at Chaminade University of Honolulu. An education in the Marianist Tradition is marked by five principles and you should take every opportunity possible to reflect upon the role of these characteristics in your education and development:

1. Education for formation in faith.
2. Provide an integral, quality education.
3. Educate in family spirit.
4. Educate for service, justice and peace.
5. Educate for adaptation and change.

NATIVE HAWAIIAN VALUES

Education is an integral value in both Marianist and Native Hawaiian culture. Both recognize the transformative effect of a well-rounded, value-centered education on society, particularly in seeking justice for the marginalized, the forgotten, and the oppressed, always with an eye toward God (Ke Akua). This is reflected in the 'Olelo No'eau (Hawaiian proverbs) and Marianist core beliefs:

1. Educate for Formation in Faith (Mana) E ola au i ke akua ('Olelo No'eau 364) May I live by God.
2. Provide an Integral, Quality Education (Na'auao) Lawe i ka ma'alea a kū'ono'ono ('Olelo No'eau 1957) Acquire skill and make it deep.
3. Educate in Family Spirit ('Ohana) 'Ike aku, 'ike mai, kōkua aku kōkua mai; pela iho la ka nohana 'ohana ('Olelo No'eau 1200) Recognize others, be recognized, help others, be helped; such is a family relationship.
4. Educate for Service, Justice and Peace (Aloha) Ka lama kū o ka no'eau ('Olelo No'eau 1430) Education is the standing torch of wisdom.
5. Educate for Adaptation and Change (Aina) 'A'ohe pau ka 'ike i ka hālau ho'okahi ('Olelo No'eau 203) All knowledge is not taught in the same school.

ASSESSMENT:

- **Reading Homework (14).** For each chapter of the textbook covered in the course (Ch. 1-14), students will be given a set of questions to answer. These questions will be presented in objective formats (e.g., multiple choice, true/false, completion) and short answer/essay format. The number of questions will usually range from 5-15 per chapter.
- **Exams (3).** Exams will be based on the three major sections of the textbook (Exam #1 - Ch. 1-3, Exam #2 - Ch. 4-9, Exam #3 - Ch. 10-14). The questions on the exams will be drawn directly from the pool of objective format questions presented in the reading homework (i.e., only multiple choice, true/false, completion; not short answer/essay). The exams will be timed (average of 1 minute per question), but you will already have seen the questions beforehand and you will be allowed to have

all resources at your disposal (e.g., notes, textbook, slides, assessment of homework questions, etc.).

- **Written Assignments & Other Activities.** Students will be given written, posting, and other participatory assignments. Examples of assignments include, but are not limited to: watching/reading something and responding to questions in paper format or through posting on the postboard, responding to postboard questions, completing surveys or participating in other types of research/learning activities.

GRADING SYSTEM:

The class will be graded using the following standardized grading system:

A = 100-90% B = <90-80% C = <80-70% D = <70-60% F = <60%

Point Distribution & Scoring System:

Course Item	% of Final Grade
Reading Homework (14)	21%
Exams	28%
Writing Assignments/Activities	51%
	100%

Based on overall class performance, the instructor will adjust the curve accordingly if anomalies occur.

Grading Scale

- A - Outstanding scholarship and an unusual degree of intellectual initiative
- B - Superior work done in a consistent and intellectual manner
- C - Average grade indicating a competent grasp of subject matter
- D - Inferior work of the lowest passing grade, not satisfactory for fulfillment of prerequisite course work
- F - Failed to grasp the minimum subject matter; no credit given

COURSE PARTICIPATION

- **Course Approach.** Learning in an online environment is definitely different from an in-class one. Most notably, things are 'asynchronous' -- we are not all together and in each other's presence at the same time. This makes things very convenient for students but presents challenges for instructors. This structure does not always allow for the easy flow of information that one expects from a traditional classroom setting. Interactions and exchanges of ideas are less spontaneous and more formalized, and when these things do happen, there are lag times between being recognized/heard and then interacted with/responded to. Study habits and staying 'on track' come out a bit more in an online course. I will give you all of the support and resources I can in order for you to learn and to add to your pedagogical toolbox (learning to learn/critical thinking), though you must read materials and do assignments in a responsible manner in order to succeed in the traditional sense (grades). Online courses require a bit more planning and pacing on the student's part.
- **Regular Class Login.** As a policy, if a student misses materials due to not logging in when necessary, this is not excusable. For those with extenuating circumstances, documentation will be required for any level of excusal. "Extenuating circumstances" will be determined on a case-by-case basis, but the standard for this sort of exception is considered as 'circumstances beyond one's control' (e.g., medical illness, family emergency). Federal regulations require continued attendance for continuing payment of financial aid. If attendance is not seen, financial aid may be terminated. When illness or personal reasons necessitate continued absence, the

student should officially withdraw from all affected courses. Anyone who stops attending a course without official withdrawal may receive a failing grade.

- **Communication.** Email through Canvas is the best way to reach me with questions about the course. If you would like to talk with me online (webcam) or via phone, I'm happy to do so; for this, it is probably best to email me and then we can set up a day/time. For email, I will answer all emails as soon as I can (usually very quickly if I am on the computer, but always within 24 hours unless I am traveling for work or at a conference). If you have a question about something in the course, do NOT send out group emails to all other students; this is not their burden to share -- send your questions directly to me.

TERMS OF COURSE REQUIREMENTS:

1. Late assignments/projects will be discounted an initial 30% and 10% per day after the due date. All late assignments must be turned in within **1** week, otherwise loss of **all** credit will occur. Late assignments will unlikely to be accepted if assignments for other students have already been graded and returned.
2. Exam/Quiz materials are to be completed within the timeframe that they are made available. Exceptions are to be granted only in extenuating circumstances, otherwise loss of all credit will occur.
3. Logging into the course regularly is a must, taking into consideration the amount of material covered in the course.
4. Students will be expected to read the assigned materials as these materials provide the pedagogical basis for the course. Students will be unlikely to pass, much less perform well, if they do not read the assigned materials.
5. I have an open-door approach when it comes to helping students understand the material and do well in the course. DON'T HESITATE to talk to, call, or email me!
6. Any instances of academic dishonesty will result in an "FD" (failure for dishonesty) grade for the course and will be subject to the policies and procedures for the college. If you are at all unclear about what constitutes academic dishonesty, refer to cataloged materials.
7. As a policy, opportunities for extra credit WILL NOT be available. All students begin the course with perfect scores and will have every opportunity to maintain this score.
8. The instructor reserves the right to change the schedule of the syllabus when deemed necessary.

ADA POLICY

Statement from the [New Student Handbook](#)

Pursuant to federal and state laws, including the Americans with Disabilities Act of 1990 as amended by the ADA Amendments Act of 2008 and Section 504 of the Rehabilitation Act of 1973, all qualified students with disabilities are protected from discrimination on the basis of disability and are eligible for reasonable accommodations or modifications in the academic environment to enable them to equal access to academic programs, services, or activities. If a student would like to determine if they meet the criteria for accommodations, they should contact the Counseling Center in the Student Support Services Building, Room 101, by phone at (808) 735-4845 / email: counselingcenter@chamiande.edu

UNIVERSITY STATEMENT ON ACADEMIC HONESTY

Academic honesty is an essential aspect of all learning, scholarship, and research. It is one of the values regarded most highly by academic communities throughout the world. Violations of the principle of academic honesty are extremely serious and will not be tolerated.

Students are responsible for promoting academic honesty at Chaminade by not participating in any act of dishonesty and by reporting any incidence of academic dishonesty to an instructor or to a University official. Academic dishonesty may include theft of records or examinations, alteration of grades, and plagiarism.

Questions of academic dishonesty in a particular class are first reviewed by the instructor, who must make a report with recommendations to the Dean of the Academic Division. Punishment for academic dishonesty will be determined by the instructor and the Dean of the Academic Division and may range from an 'F' grade for the work in question to an 'F' for the course to suspension or dismissal from the University.

TITLE IX COMPLIANCE

The Chaminade University of Honolulu recognizes the inherent dignity of all individuals and promotes respect for all people. Sexual misconduct, physical and/or psychological abuse will NOT be tolerated at CUH. If you have been the victim of sexual misconduct, physical and/or psychological abuse, we encourage you to report this matter promptly. As a faculty member, I am interested in promoting a safe and healthy environment, and should I learn of any sexual misconduct, physical and/or psychological abuse, I must report the matter to the Title IX Coordinator. If you or someone you know has been harassed or assaulted, you can find the appropriate resources by visiting Campus Ministry, the Dean of Students Office, the Counseling Center, or the Office for Compliance and Personnel Services.

ACADEMIC CONDUCT POLICY

From the 2018-2019 Undergraduate Academic Catalog (p. 42):

Any community must have a set of rules and standards of conduct by which it operates. At Chaminade, these standards are outlined so as to reflect both the Catholic, Marianist values of the institution and to honor and respect students as responsible adults. All alleged violations of the community standards are handled through an established student conduct process, outlined in the Student Handbook, and operated within the guidelines set to honor both students' rights and campus values. Students should conduct themselves in a manner that reflects the ideals of the University. This includes knowing and respecting the intent of rules, regulations, and/or policies presented in the Student Handbook, and realizing that students are subject to the University's jurisdiction from the time of their admission until their enrollment has been formally terminated.

Please refer to the Student Handbook for more details. A copy of the Student Handbook is available on the Chaminade website.

ABOUT THE INSTRUCTOR:

Dr. Allen is a full-time faculty member, Associate Professor, in the C&CJ Department. He is an advisor to CJ majors and oversees the CJ Club. His usual repertoire of courses includes criminology, juvenile delinquency, behavioral sciences statistics, survey research methods & statistics, seminar in criminal justice agencies, and sex crimes. He has been a full-time faculty member in the Department since 2004 and began teaching at Chaminade in a part-time capacity in 1994. He has also taught courses in Sociology at the University of Hawaii and Hawaii Pacific University. Prior to Chaminade, he worked with the Corrections Population Management Commission (through the Department of Public Safety), the Department of the Attorney General, and the Social Science Research Institute (University of Hawaii). Throughout the years, he has been involved in various research and evaluation projects, including the topics of: victim compensation/restitution, probation and parole recidivism, sentencing simulation modeling and policy analysis, juvenile delinquency and youth gangs, community crime prevention, restorative justice, domestic violence and anger management, substance abuse treatment, ecstasy, prostitution, runaway and missing children, uniform crime reporting, victimization surveys, and crime trends and law enforcement/correctional policy analysis. Dr. Allen received his Ph.D. from the Sociology Department at the University of Hawaii with an emphasis in Criminology. Before transferring to the University of Hawaii, he attended the University of Minnesota (he was born in Minnesota and spent his earlier formative years there).
