University Course Catalog Description

This course examines the development of order, concentration, coordination, and independence in children from age two and a half to age six. Includes appropriate models, the inclusion of practical living activities, and relationship to other content areas. Montessori practical life lessons are presented and practiced. Art lessons are included in this course. Required course for Montessori Credential.

Marianist Values

This class represents one component of your education at Chaminade University of Honolulu. Education in the Marianist Tradition is marked by five principles and you should take every opportunity possible to reflect upon the role of these characteristics in your education and development:

1. Education for formation in faith
2. Provide an integral, quality education
3. Educate in family spirit
4. Educate for service, justice and peace, and integrity of creation
5. Educate for adaptation and change

Native Hawaiian Values

Education is an integral value in both Marianist and Native Hawaiian culture. Both recognize the transformative effect of a well-rounded, value-centered education on society, particularly in seeking justice for the marginalized, the forgotten, and the oppressed, always with an eye toward God (Ke Akua). This is reflected in the 'Olelo No'eau (Hawaiian proverbs) and Marianist core beliefs:

1. Educate for Formation in Faith (Mana) E ola au i ke akua ('Olelo No'eau 364) May I live by God
2. Provide an Integral, Quality Education (Na'auao) Lawe i ka ma'alea a kū'ono'ono ('Olelo No'eau 1957) Acquire skill and make it deep
3. Educate in Family Spirit ('Ohana) 'Ike aku, 'ike mai, kōkua aku kōkua mai; pela iho la ka nohana 'ohana ('Olelo No'eau 1200) Recognize others, be recognized, help others, be helped; such is a family relationship
4. Educate for Service, Justice and Peace (Aloha) Ka lama kū o ka no'eau ('Olelo No'eau 1430) Education is the standing torch of wisdom
5. Educate for Adaptation and Change (Aina) 'A'ohe pau ka 'ike i ka hālau ho'okahi ('Olelo No'eau 203) All knowledge is not taught in the same school

(30%) • Key Assignment - Activity and Rubric: Create an original activity related to the subject area. (30%)

Grading Scale

Letter grades are given in all courses except those conducted on a credit/no credit basis. Grades are calculated from the student's daily work, class participation, quizzes, tests, term papers, reports, and the final examination. They are interpreted as follows:

Grade Percentage	Graduate Level	Undergraduate Level	Certificate Level
90% - 100%	A	A	Credit
80% - 89%	B	B	Credit
70% - 79%	C (Must Retake)	C	Credit
60% - 69%	D (Must Retake)	D (Must Retake)	No Credit (Must Retake)
50% and Below	F (Must Retake)	F (Must Retake)	No Credit (Must Retake)

Course Policies

Course Approach

This course is part of four Montessori methods courses so the course approach is an integrated approach. Montessori methods courses give you an opportunity to touch and feel the materials and start to understand the application of the Montessori philosophy that you learned prior to this course. There are a lot of interconnected concepts with the other three methods courses and a lot of interactions with your peers and with your instructor(s). The instructor(s) will provide you with specific due dates for all the assignments for this course.

Instructor and Student Communication

Questions for this course can be emailed to the instructor at the email provided on this syllabus. Online, in-person, and phone conferences can be arranged per request. Response time will take place up to 2 days unless the instructor is traveling or due to special circumstances.

Grades of "Incomplete"

Students should check with the instructor regarding the current "Incomplete" policy for unexpected situations where the students are unable to complete the courses.

Writing Policy

Students are expected to write at the graduate or undergraduate level they are in. Please check with your instructor for a specific writing format for the course. For education students, the general expectation is to use the APA writing style. You can visit [APA Style](#) for more information.

Late Work Policy

Canvas is configured to identify assignments that are submitted after the due date/time. I will share complete information on assignments to allow ample time for completion if you do not procrastinate. Please respect my time and your colleagues, plan ahead and submit your work on time, so that we can all progress through this learning experience together. If you need additional time to complete an assignment and/or you have an emergency that will cause you to miss a deadline, you must communicate with me in advance of the due date.

Late assignments (including the final paper) will be accepted for three days following the due date, but there will be a 10% deduction if the assignment is submitted late. Late penalties may be waived with acceptable documentation (i.e., doctor's note, military order, etc.). The documentation must be scanned and emailed to your instructor within three days of the due date for consideration. After the third day, without any legitimate excuses, a grade of zero may be entered for the assignment.

Group Work/Cooperative Learning

Learning requires the interaction and support of others. In other words, knowledge is socially constructed. In order to support the learning of all students, you will be expected to work cooperatively with others in this course. Your contribution to the online discussion and the feedback that you provide will support your learning as well as the learning of others in this course.

Disability Access

If you need individual accommodations to meet course outcomes because of a documented disability, please speak with me to discuss your needs as soon as possible so that we can ensure your full participation in class and fair assessment of your work. Students with special needs who meet the criteria for the Americans with Disabilities Act (ADA) provisions must provide written documentation of the need for accommodations from Kōkua 'Ike: Center for Student Learning by the end of week three of the class, in order for instructors to plan accordingly. If a student would like to determine if they meet the criteria for accommodations, they should contact the Kōkua 'Ike Coordinator at (808) 739-8305 for further information (ada@chaminade.edu).

Title IX Compliance

Chaminade University of Honolulu recognizes the inherent dignity of all individuals and promotes respect for all people. Sexual misconduct, physical and/or psychological abuse will NOT be tolerated at CUH. If you have been the victim of sexual misconduct, physical and/or psychological abuse, we encourage you to report this matter promptly. As a faculty member, I am interested in promoting a safe and healthy environment, and should I learn of any sexual misconduct, physical and/or psychological abuse, I must report the matter to the Title IX Coordinator. If you or someone you know has been harassed or assaulted, you can find the appropriate resources by visiting Campus Ministry, the Dean of Students Office, the Counseling Center, or the Office for Compliance and Personnel Services.

Attendance Policy

The following attendance policy is from the [2020-2021 Academic Catalog](#).

Students are expected to attend regularly all courses for which they are registered. Student should notify their instructors when illness or other extenuating circumstances prevents them from attending class and make arrangements to complete missed assignments. Notification may be done by emailing the instructor's Chaminade email address, calling the instructor's campus extension, or by leaving a message with the instructor's division office. It is the instructor's prerogative to modify the deadlines of course requirements accordingly. Any student who stops attending a course without officially withdrawing may receive a failing grade.

Students with disabilities who have obtained accommodations from the Chaminade University of Honolulu ADA Coordinator may be considered for an exception when the accommodation does not materially alter the attainment of the learning outcomes.

Federal regulations require continued attendance for continuing payment of financial aid. When illness or personal reasons necessitate continued absence, the student should communicate first with the instructor to review the options. Anyone who stops attending a course without official withdrawal may receive a failing grade or be withdrawn by the instructor at the instructor's discretion.

Academic Conduct Policy

From the 2019-2020 Undergraduate Academic Catalog (p. 39):

Any community must have a set of rules and standards of conduct by which it operates. At Chaminade, these standards are outlined so as to reflect both the Catholic, Marianist values of the institution and to honor and respect students as responsible adults. All alleged violations of the community standards are handled through an established student conduct process, outlined in the Student Handbook, and operated within the guidelines set to honor both students' rights and campus values.

Students should conduct themselves in a manner that reflects the ideals of the University. This includes knowing and respecting the intent of rules, regulations, and/or policies presented in the Student Handbook, and realizing that students are subject to the University's jurisdiction from the time of their admission until their enrollment has been formally terminated. Please refer to the Student Handbook for more details. A copy of the Student Handbook is available on the Chaminade website.

For further information, please refer to the Student Handbook which is linked annually on the following webpage: <https://chaminade.edu/current-students/>

Credit Hour Policy

The unit of semester credit is defined as university-level credit that is awarded for the completion of coursework. One credit hour reflects the amount of work represented in the intended learning outcomes and verified by evidence of student achievement for those learning outcomes. Each credit hour earned at Chaminade University

should result in 45 hours of engagement. This equates to one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester, 10-week term, or equivalent amount of work over a different amount of time. Direct instructor engagement and out-of-class work result in a total student engagement time of 45 hours for one credit.

The minimum 45 hours of engagement per credit hour can be satisfied in a fully online, internship, or other specialized courses through several means, including (a) regular online instruction or interaction with the faculty member and fellow students and (b) academic engagement through extensive reading, research, online discussion, online quizzes or exams; instruction, collaborative group work, internships, laboratory work, practica, studio work, and preparation of papers, presentations, or other forms of assessment. This policy is in accordance with federal regulations and regional accrediting agencies.
