MARIANIST EDUCATIONAL VALUES

This class represents one component of your education at Chaminade University of Honolulu. An education in the Marianist Tradition is marked by five principles and you should take every opportunity possible to reflect upon the role of these characteristics in your education and development:

1. Education for formation in faith.
2. Provide an integral, quality education.
3. Educate in family spirit.
4. Educate for service, justice and peace.
5. Educate for adaptation and change.

NATIVE HAWAIIAN VALUES

Education is an integral value in both Marianist and Native Hawaiian culture. Both recognize the transformative effect of a well-rounded, value-centered education on society, particularly in seeking justice for the marginalized, the forgotten, and the oppressed, always with an eye toward God (Ke Akua). This is reflected in the 'Ōlelo No'eau (Hawaiian proverbs) and Marianist core beliefs:

1. Educate for Formation in Faith (Mana) E ola au i ke akua ('Ōlelo No'eau 364) May I live by God.
2. Provide an Integral, Quality Education (Na'auao) Lawe i ka ma'alea a kū'ono'ono ('Ōlelo No'eau 1957) Acquire skill and make it deep.
3. Educate in Family Spirit ('Ohana) 'Ike aku, 'ike mai, kōkua aku kōkua mai; pela iho la ka nohana 'ohana ('Ōlelo No'eau 1200) Recognize others, be recognized, help others, be helped; such is a family relationship.
4. Educate for Service, Justice and Peace (Aloha) Ka lama kū o ka no'eau ('Ōlelo No'eau 1430) Education is the standing torch of wisdom.
5. Educate for Adaptation and Change (Aina) 'A'ohe pau ka 'ike i ka hālau ho'okahi ('Ōlelo No'eau 203) All knowledge is not taught in the same school.

ASSESSMENT:

- **Assignments/Activities.** These assignments will consist of papers, worksheets, and other activities related to the material and readings. An example of an assignment is watching/reading something and responding to questions in paper format.
- **Reading Homework (14).** For each chapter of the textbook covered in the course (Ch. 1-14), students will be given a set of questions to answer. These questions will be presented in objective formats (e.g., multiple-choice, true/false, completion) and short answer/essay format. The number of questions will usually range from 10-15 per chapter.
- **Exams (2).** These exams are not cumulative and will include only materials covered in the specified sections. Items on the exam may come from the text, supplemental reading materials, classroom

lectures, and discussions, or other means used throughout the period. Exams may consist of questions in multiple-choice, short answer, and essay formats.

- **Final Exam.** This exam is cumulative and will include materials covered during the entire class term. This exam will have some focus on the materials included in the last section of the term, but it will also include items from the entire class term. Exams may consist of questions in multiple-choice, short answer, and essay formats.
- **Participation/Attendance.** Students can fulfill this aspect of the course by attending class regularly and participating. Absences up and beyond 5 for the entire term, especially without excuse, will negatively impact the student's grade in a sizable way (see below regular class attendance).

GRADING SYSTEM:

The class will be graded based on the following standardized grading system:

A = 100-90%

B = <90-80%

C = <80-70%

D = <70-60%

F = <60%

Activity/Assignment	% of Final Grade
Assignments/Activities	40%
Reading Homework	12%
Exams (2)	18%
Final Examination	20%
Participation/Attendance	10%
	100%

Grading Scale

A - Outstanding scholarship and an unusual degree of intellectual initiative

B - Superior work done in a consistent and intellectual manner

C - Average grade indicating a competent grasp of subject matter

D - Inferior work of the lowest passing grade, not satisfactory for fulfillment of prerequisite course work

F - Failed to grasp the minimum subject matter; no credit given

ATTENDANCE & PARTICIPATION

- **Regular Class Attendance.** As a policy, if a student misses more than **6** classes throughout the term, a deficiency notice will be sent to the registrar's office. Absences up and beyond 6 will result in the student losing 5% of their overall final grade points for each absence. For those with extenuating circumstances, documentation will be required for an incomplete (to be made up no later than 30 days after the final exam). "Extenuating circumstances" will be determined on a case-by-case basis, but the standard for this sort of exception is considered as circumstances beyond one's control (e.g., medical illness, family emergency). Unexcused absences equivalent to more than a week of classes may lead to a grade reduction for the course. Any absence of two weeks or more must be reported to the Associate Provost and the Records Office by the instructor. Federal regulations require continued attendance for continuing payment of financial aid. If attendance is not continuous, financial aid may be terminated. When illness or personal reasons necessitate continued absence, the student should officially withdraw from all affected courses. Anyone who stops attending a course without official withdrawal may receive a failing grade.
- **Regular classroom participation.** Besides simply coming to class, students will contribute to lectures, classroom discussions and exercises, informal presentations, and complete in-class and out-of-class assignments. Contributions to group and individual assignments will be assessed through participation (e.g., extent and depth of discussion), completeness of work turned in, etc. This also means that students will come to class prepared, being able to respond to questions posed by the instructor.

TERMS OF COURSE REQUIREMENTS:

1. *Late assignments/projects will be discounted an initial 30% and 10% per day after the due date. Assignments, quizzes, and exams that are not completed by the time items have been graded or discussed in class will receive no credit.*
2. Unless otherwise specified, *assignments are due at the beginning of class.*
3. *Quizzes & Exams are to be taken on the days that they are administered.* Exceptions are granted only in extenuating circumstances, otherwise, loss of all credit will occur. Final exams may be taken earlier if needed and arrangements can be agreed upon; taking the final exam after the scheduled final exam day/time will not be considered unless extenuating circumstances exist.
4. *As a policy, opportunities for extra credit WILL NOT be available. All students begin the course with perfect scores and will have every opportunity to maintain this score.*
5. *Regular attendance is a must, given the amount of material covered in the course.* If you know you will be missing a class in the future due to legitimate reasons, be sure to tell me in advance and provide any necessary paperwork; this will allow me to keep you up-to-date on the material you will be missing.
6. *Students are expected to read materials as assigned.* It is especially important that students read and do work outside of the classroom due to the breadth of material covered during the term.
7. *I have an open door when it comes to helping students understand the material and do well in the course. If you would like to meet with me, don't hesitate to approach me and/or email me to set up an appointment.*
8. Any instances of academic dishonesty will result in an "FD" (failure for dishonesty) grade for the course and will be subject to the policies and procedures for the college. If you are at all unclear about what constitutes academic dishonesty, refer to cataloged materials.
9. The instructor reserves the right to change the schedule of the syllabus when deemed necessary.

ADA Policy

Chaminade University of Honolulu is committed to providing reasonable accommodations for persons with documented disabilities. Any student who believes that they may need accommodations must first register with the Counseling Center. Registration with the Counseling Center begins the process of determining whether the student meets the requirements for a documented disability in accordance with the Americans with Disabilities Act (ADA), even if accommodations may not be needed for this particular class. The contact information for the Counseling Center is (808) 735-4845, 739-4603, or by email at counselingcenter@chaminade.edu. It is important for students to contact the Counseling Center as soon as possible so that accommodations are implemented in a timely fashion and to allow your instructor(s) to plan accordingly. Students will be required to provide written documentation to the Counseling Center in order for a determination to be made as to whether the requirements for a documented disability under the ADA are met.

Failure to provide written documentation through the Counseling Center will prevent your instructor from making the necessary accommodations, instructors cannot provide accommodations unless they have been prescribed by the Counseling Center. Once you have received an official notice of accommodations from the Counseling Center, it is also very important to discuss these accommodations directly with your instructor so that they can better support your needs. If you have specific questions regarding your individualized accommodations you may speak directly with your instructor and/or you may contact the Counseling Center.

UNIVERSITY STATEMENT ON ACADEMIC HONESTY

Academic honesty is an essential aspect of all learning, scholarship, and research. It is one of the values regarded most highly by academic communities throughout the world. Violations of the principle of academic honesty are extremely serious and will not be tolerated.

Students are responsible for promoting academic honesty at Chaminade by not participating in any act of dishonesty and by reporting any incidence of academic dishonesty to an instructor or to a University official. Academic dishonesty may include theft of records or examinations, alteration of grades, and plagiarism.

Questions of academic dishonesty in a particular class are first reviewed by the instructor, who must make a report with recommendations to the Dean of the Academic Division. Punishment for academic dishonesty will be determined by the instructor and the Dean of the Academic Division and may range from an 'F' grade for the work in question to an 'F' for the course to suspension or dismissal from the University.

TITLE IX COMPLIANCE

Chaminade University of Honolulu recognizes the inherent dignity of all individuals and promotes respect for all people. Sexual misconduct, physical and/or psychological abuse will NOT be tolerated at CUH. If you have been the victim of sexual misconduct, physical and/or psychological abuse, we encourage you to report this matter promptly. As a faculty member, I am interested in promoting a safe and healthy environment, and should I learn of any sexual misconduct, physical and/or psychological abuse, I must report the matter to the Title IX Coordinator. If you or someone you know has been harassed or assaulted, you can find the appropriate resources by visiting Campus Ministry, the Dean of Students Office, the Counseling Center, or the Office for Compliance and Personnel Services.

ACADEMIC CONDUCT POLICY

From the 2018-2019 Undergraduate Academic Catalog (p. 42):

Any community must have a set of rules and standards of conduct by which it operates. At Chaminade, these standards are outlined so as to reflect both the Catholic, Marianist values of the institution and to honor and respect students as responsible adults. All alleged violations of the community standards are handled through an established student conduct process, outlined in the Student Handbook, and operated within the guidelines set to honor both students' rights and campus values. Students should conduct themselves in a manner that reflects the ideals of the University. This includes knowing and respecting the intent of rules, regulations, and/or policies presented in the Student Handbook, and realizing that students are subject to the University's jurisdiction from the time of their admission until their enrollment has been formally terminated.

Please refer to the Student Handbook for more details. A copy of the Student Handbook is available on the Chaminade website.

Credit Hour Policy

The unit of semester credit is defined as university-level credit that is awarded for the completion of coursework. One credit hour reflects the amount of work represented in the intended learning outcomes and verified by evidence of student achievement for those learning outcomes. Each credit hour earned at Chaminade University should result in 45 hours of engagement. This equates to one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester, 10 week term, or equivalent amount of work over a different amount of time. Direct instructor engagement and out-of-class work result in total student engagement time of 45 hours for one credit.

The minimum 45 hours of engagement per credit hour can be satisfied in fully online, internship, or other specialized courses through several means, including (a) regular online instruction or interaction with the faculty member and fellow students and (b) academic engagement through extensive reading, research, online discussion, online quizzes or exams; instruction, collaborative group work, internships, laboratory work, practica, studio work, and preparation of papers, presentations, or other forms of assessment. This policy is in accordance with federal regulations and regional accrediting agencies.
