

## SYLLABUS

2023 Spring Semester MBA Program  
April 11 – June 19, 2023

MBA-722-90-3 Information Technology for Managers  
Online using Pearson portal myLab MIS

### Class Schedule:

Dates: April 11, 2023 – June 19, 2023  
Course Cycle: Current Monday through the following Monday  
Class Location: Online Pearson Portal myLab MIS

### Instructor Contact Info:

Dr. Maria Brownlow  
Office Hours: Noon – 01:00 PM; MWF at Kieffer Room 28 or *by appointment*  
Contact Office: 808-739-8337  
CUH email: [maria.brownlow@chaminade.edu](mailto:maria.brownlow@chaminade.edu)

### CHAMINADE UNIVERSITY MISSION STATEMENT

Chaminade University offers its students an education in a collaborative learning environment that prepares them for life, service, and successful careers. Guided by its Catholic, Marianist and liberal arts educational traditions, Chaminade encourages the development of moral character, personal competencies, and a commitment to build a just and peaceful society. The university offers both the civic and church communities of the Pacific region its academic and intellectual resources in the pursuit of common aims.

## 1. COURSE ORIENTATION

"Digital learning removes limits and gives us the freedom to provide education anytime and anywhere, empowering us to overcome our most difficult challenges."<sup>1</sup>

I strongly believe that *learning is a continuous process*, which never ends. My aim is to create an eLearning environment where students succeed. The MBA722 course with its myLab MIS portal is a perfect tool to support my goals and objectives for this course.

This **course resides on the Pearson portal, including all assignments which are published in myLab MIS** (Management Information Systems). Students have an opportunity to improve homework by re-doing their work. Only EXAMS cannot be repeated, unless student present a special circumstance prior to the exam start date.

---

<sup>1</sup> Pearson Higher Ed Research

## SYLLABUS

My own business experience confirms the authors' statement: *"When interviewing potential employees, business firms often look for new hires who know how to use information systems and technologies for achieving bottom-line business results. Regardless of whether a student is an accounting, finance, management, operations management, marketing, or information systems major, the knowledge and information found in this textbook will be valuable throughout a business career."*

Knowledge of Information Technology (IT) in business is a competitive edge for students' career path or obtaining a desired position. Hiring managers assume that job seekers have the IT knowledge, similarly as they have skills how to use Internet or smart phone.

This course is about increasing students' knowledge about IT management so that as a manager students can effectively invest in and utilize new and already in-place information technologies through the knowledge:

- Technologies available today and emerging technology trends, for example, cloud computing and social networking.
- Software applications to support business operations and business intelligence.
- "Best practices" for acquiring and implementing new systems.
- Planning and managing the IS department's resources effectively.

## 2. COURSE DESCRIPTION

Provides skills for choosing effective strategies and tools for managing digital organization. The course uses a "hands-on" approach to define, analyze, and solve day-to-day management problems using case studies.

MyLab MIS features videos, animations, interactive quizzes to foster student comprehension of concepts, theories, and issues. The MyLab MIS environment reflects the new learning styles of students, which are more social, interactive, and usable on digital devices such as smartphones and tablets.

## 3. MBA PROGRAM LEARNING OUTCOMES

A graduate with a Master of Business Administration degree will be able to:

1. **Examine** financial tools and apply analysis to inform organizational decisions utilizing a knowledge of the issues central to financial management of an organization.
2. **Apply** concepts and processes of marketing and management to inform organizational decisions that enhance value creation.
3. **Recommend** the appropriate framework to analyze ethical dilemmas and inform organizational decisions.
4. **Demonstrate** economic data and knowledge of domestic and global economic environments literacy to support organizational decisions.

## SYLLABUS

5. **Identify** appropriate leader actions for enhancing individual, group, and organization effectiveness in accordance with principles of leadership dynamics.
6. **Assess** and create strategy for organizations in specified business environments in accordance with central components and processes of strategic management.
7. **Develop** and present a strategic plan for organizations promoting service, justice, and peace within the community.

### 4. COURSE LEARNING OUTCOMES

At the conclusion of the MBA722 course, students will be able to:

1. **Synthesize** the direct connection between information systems and business performance.
2. **Develop** hands-on experience on working on projects with real-world business scenarios and data that deepen students' involvement in interesting subjects.
3. **Evaluate** cases about real-world companies, solving *management decision* challenges that could be used in business scenarios.
4. **Analyze** in-depth how today's business firms use *information technologies and systems* to achieve corporate objectives.

Students will be able answer questions to eloquently:

1. Why has a utilization of IT become pervasive in the recent years?
2. What role IT plays in increasingly 'flat world' in which IT links businesses across emerging, developing, and mature economies around the world?
3. How IT professionals and business managers design, manage, and collaborate to wisely invest and effectively utilize information technologies for the benefit of their organizations?

### TEXTBOOK:

The selected textbook provides a comprehensive coverage of the IS management practices and technology trends for managers. Various support materials accompany the textbook, which enhance students' learning experience. The authors keep content up to date. Various case studies resulted in a unique set of materials for the audience who seek careers as business managers, IS managers or IS specialists.

Laudon and Laudon continue to define the MIS course with their latest comprehensive text. *Management Information Systems, seventeens Edition*, provides comprehensive and integrative coverage of essential recent technologies, information system applications, and their impact on business models and managerial decision making in an exciting and interactive manner.

The seventeens edition focuses on the major changes that have been made in the information technology over the past two years, and includes new opening, closing, and Interactive Session cases.

# SYLLABUS

## MyLAB MIS

The goal of the myLab MIS is to provide students with a reliable, up-to-date, interactive, and engaging introduction to the MIS field by doing various forms of hands-on assignments. MyLab MIS personalizes the learning experience and improves results for each student. The portal features many videos, animations, interactive quizzes to foster students' comprehension of concepts, theories, and issues in this digitized business environment.

### **MBA-722-90-3 IT for Managers (3 Credits)**

©2020 | Pearson | Available | MYLAB

**Note:** After you register to the course, you will be able to click on Pearson eText and access electronic test.

## Management Information Systems

17th Edition

LAUNCH eTEXT

Get access to your textbook...  
anytime, anywhere, any way you want

The Pearson eText is customizable. You can:

- highlight
- bookmark pages
- take notes
- search within eText

## 5. RESOURCES FOR ASSESSMENT AND PARTICIPATION

Information how to set up your PC/MAC, purchase an access code with e-Text and register to myLab MIS portal will be provided to students prior to start of the course.

The following types of assignments on-line are available for this course:

1. Chapter opening cases.
2. Interactive Session: Management with case study questions.
3. Interactive Session: Technology with case study questions.
4. An additional Learning Track Modules:
  - a. How much does it matter?

## SYLLABUS

- b. Information Systems and your career.
- c. The mobile digital platform.
5. Chapter cases
6. Video cases illustrating some of the concepts in each chapter.
7. Review summary with key terms
8. End of chapter (EOC) review questions
9. Discussion questions
10. Hands-on MIS Projects
11. Collaboration and teamwork projects dealing with the concepts of the chapter.

### ADDITIONAL LEARNING OUTCOMES

Student will be able to:

1. **Understand** how using MIS Decisions-Making Sims and auto-grading Excel and Access Projects will help students succeed in their future careers.
2. **Demonstrate** knowledge of fundamental MIS concepts using an integrated framework for describing and analyzing information systems.
3. **Evaluate** new technologies and **explore** concepts through Case Studies and instructional videos.
4. **Experiment** how interactivity to learn by doing MIS hands-on projects with real-world business scenarios.
5. **Utilize** technology tools for communication, collaboration, information management and decision support.
6. **Appraise** the role of MIS in strengthen organization competitive position against direct competition, and within industry the company do business.

### 6. MARIANIST VALUES

An education in the *Marianist Tradition* is marked by five principles. This is an opportunity possible to reflect upon the role of these characteristics in the MBA education and development:<sup>2</sup>

#### 1. Educate for formation in faith.

*“As higher educational institutions, Marianist universities have kept, along with education in the disciplines, a commitment to the development of the whole person, which includes the dimension of religious faith and its personal appropriation and practice.”*

#### 2. Provide an integral quality education.

*“In the Marianist approach to education, “excellence” includes the whole person, not just the technician or rhetorician. It also includes people with their curricular and extra-curricular experiences, their intellectual and spiritual development, understood and supported best in and through community.”*

---

<sup>2</sup> Characteristics of Marianist Universities: Chaminade University of Honolulu, St. Mary’s University, University of Dayton, A Resource Paper, published in 1999, Republished in 2006

## SYLLABUS

### 3. Educate in family spirit.

*“Marianist educational experience fosters the development of a community characterized by a sense of family spirit that accepts each person with loving respect and draws everyone in the university into the challenge of building community. Community support for scholarship, friendship among faculty, staff and students, and participation in university governance characterize the Marianist University.”*

### 4. Educate for service, justice, and peace.

*“The Marianist approach to higher education is deeply committed to the common good. The intellectual life itself is undertaken as a form of service in the interest of justice and peace, and the university curriculum is designed to connect the classroom with the wider world. In addition, Marianist universities extend a special concern for the poor and marginalized and promote the dignity, rights, and responsibilities of all peoples.”*

### 5. Educate for adaptation and change.

*“In the midst of rapid social and technological change, Marianist universities readily adapt and change their methods and structures so that the wisdom of their educational philosophy and spirituality may be transmitted even more fully.”*

## 7. NATIVE HAWAIIAN VALUES

Education is an integral value in both Marianist and Native Hawaiian culture. Both recognize the transformative effect of a well-rounded, value-centered education on society, particularly in seeking justice for the marginalized, the forgotten, and the oppressed, always with an eye toward God (Ke Akua). This is reflected in the ‘Olelo No‘eau (Hawaiian proverbs) and Marianist core beliefs:

1. Educate for Formation in Faith (Mana) E ola au i ke akua (‘Olelo No‘eau 364) May I live by God.
2. Provide an Integral, Quality Education (Na‘auao) Lawe i ka ma‘alea a kū‘ono‘ono (‘Olelo No‘eau 1957) Acquire skill and make it deep.
3. Educate in Family Spirit (‘Ohana) ‘Ike aku, ‘ike mai, kōkua aku kōkua mai; pela iho la ka nohana ‘ohana (‘Olelo No‘eau 1200) Recognize others, be recognized, help others, be helped; such is a family relationship.
4. Educate for Service, Justice, and Peace (Aloha) Ka lama kū o ka no‘eau (‘Olelo No‘eau 1430) Education is the standing torch of wisdom.
5. Educate for Adaptation and Change (Aina) ‘A‘ohe pau ka ‘ike i ka hālau ho‘okahi (‘Olelo No‘eau 203) All knowledge is not taught in the same school.

## 8. TITLE IX COMPLIANCE

Chaminade University of Honolulu recognizes the inherent dignity of all individuals and promotes respect for all people. Sexual misconduct, physical and/or psychological abuse will NOT be tolerated at CUH. If you have been the victim of sexual misconduct, physical and/or psychological abuse, we encourage you to report this matter promptly. As a faculty member, I am interested in promoting a safe and healthy environment, and should I learn of any sexual misconduct, physical and/or

## SYLLABUS

psychological abuse, I must report the matter to the Title IX Coordinator. If you or someone you know has been harassed or assaulted, you can find the appropriate resources by visiting Campus Ministry, the Dean of Students Office, the Counseling Center, or the Office for Compliance and Personnel Services.

### 9. ASSESSMENT AND GRADING

#### **Late assignments**

Student is responsible to contact instructor how to make-up past due assignments. Student must notify the instructor before any posted due date if student is unable to work on the exam.

Final grade for the MBA722 course will be calculated as a weighted average of all assignments. Assignments will be posted on the [myLab MIS portal](#) and entered into CUH Grading System. A weekly COMMUNICATION email will be sent to students to inform about agenda. Assignments on myLab MIS portal **must be** completed [within the same week as assigned](#) and can be improved with 2 weeks if student desire to obtain better grades. **A request to make-up exams will be allowed only with prior approval from the instructor.** You must request the make-up date before the scheduled examination date. Contact me, at any time for an estimate of your current grade.

<b>GRADING YOUR ACCOMPLISHMENTS:</b>	<b>GRADE SCALE:</b>
<p style="color: red;">Grading is based on the myLab MIS formula using weighted averages for various types of assignments.</p>	<p>A = 90% – 100%</p> <p>B = 80% – 89%</p> <p>C = 70% – 79%</p>

Letter grades are given in all courses except those conducted on a credit/no credit basis. Grades are calculated from the student’s assignments, class participation, quizzes, tests, term papers, reports, and exams.

They are interpreted as follows:

Letter grades are given in all courses except those conducted on a credit/no credit basis. Grades are calculated from the student’s assignments, class participation, quizzes, tests, term papers, reports, and exams. They are interpreted as follows:

- A → Outstanding scholarship and an unusual degree of intellectual initiative
- B → Superior work done in a consistent and intellectual manner
- C → Average grade indicating a competent grasp of subject matter
- D → Inferior work of the lowest passing grade, not satisfactory for fulfillment of prerequisite course work
- F → Failed to grasp the minimum subject matter; no credit given

## SYLLABUS

- W → Withdrawal before published deadline
- I → The issuance of an “I” grade is not automatic. At the discretion of the faculty member, a grade of “I” may be assigned to a student who has successfully completed with at least a passing grade, a majority of the work of the course and who has an unavoidable and compelling reason the remainder of the work cannot be completed on schedule
- IP → In progress; primarily used for thesis completion or practicum completion
- AU → Audit
- CR/NC → Credit/N

Learning is a continuous process. We learn every day by observing, solving problems, making mistakes, and not to repeat them again. Student responsibility is discovering your own style of learning. Educators’ responsibility is to create learning environment that student can discover, learn, apply, and flourish.

### 10. UNIVERSITY POLICIES

#### ***Attendance policy***

Attendance Policy does not apply to online eLearning courses. Students follow schedule developed for the 10 weeks program of this course. Following scheduled assignments on myLab MIS calendar is expected. This course resides on Pearson myLab MIS portal and follows a cycle which starts on the current Monday through the following Monday, before 11:59 PM HST.

#### ***Academic Honesty***

Students are responsible for promoting academic honesty at Chaminade by not participating in any act of dishonesty. Academic dishonesty may include theft of records or examinations, alteration of grades, and plagiarism. Questions of academic dishonesty in a particular class are first reviewed by the instructor who must make a report with recommendations to the Business School Dean.

#### ***Syllabus Modification***

This syllabus is a plan that can be changed depending on students cohort needs. The instructor may modify the plan during the course. The requirements of the course may be altered from those appearing in the syllabus. Further, the plan contains criteria by which the student’s progress and performance in the course will be measured. These criteria may also be changed, and students will be notified.

#### ***Instructor and Student Communication***

Questions for this course email to the instructor at [maria.brownlow@chaminade.edu](mailto:maria.brownlow@chaminade.edu).

Online, in-person and phone **808-739-8337** conferences are available. Response time will take place up to within 24 hours or earlier.

## SYLLABUS

### ***Discussion Groups:***

1. Review discussion threads thoroughly before entering the discussion.
2. Maintain threads by using the “reply” button rather than starting a new topic.
3. Be respectful of others’ ideas.
4. Read the comments of others thoroughly before entering your remarks.
5. Cooperate with group leaders in completing assigned tasks.
6. Be positive and constructive in-group discussions.
7. Respond in a thoughtful and timely manner.

### ***Chat online:***

Introduce yourself to others in the chat session. Be polite. Choose words carefully. Do not use derogatory statements. Be concise in responding to others in the chat session. Be constructive in your comments.

### ***Library***

Provide a link to the Chaminade library, [www.chaminade.edu/library](http://www.chaminade.edu/library).

### ***Technical Support***

For technical questions view the [http://www.myLab.MIS.com/Student Support](http://www.myLab.MIS.com/StudentSupport) or call Person Technical support at **1-844-292-7015**.

Contact the Chaminade IT Helpdesk for technical issues:  
[helpdesk@chaminade.edu](mailto:helpdesk@chaminade.edu) or call (808) 735-4855
