#### **CREDIT HOUR POLICY:**

The unit of semester credit is defined as university-level credit that is awarded for the completion of coursework. One credit hour reflects the amount of work represented in the intended learning outcomes and verified by evidence of student achievement for those learning outcomes. Each credit hour earned at Chaminade University should result in a minimum of 45 hours of engagement, regardless of varying credits, duration, modality, or degree level.

This equates to one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester. Direct instructor engagement and out-of-class work result in total student engagement time of 45 hours for one credit.

#### **Specific Credit Situations**

The minimum 45 hours of engagement per credit hour can be satisfied in fully online, internship, or other specialized courses through several means, including (a) regular online instruction or interaction with the faculty member and fellow students and (b) academic engagement through extensive reading, research, online discussion, online quizzes or exams; instruction, collaborative group work, internships, laboratory work, practica, studio work, and preparation of papers, presentations, or other forms of assessment. This policy is in accordance with federal regulations and regional accrediting agencies.

### *How will we meet the credit hour policy?*

This paragraph will outline how students will meet the required hours of engagement in our course through online/distance learning instruction and academic engagement. There are three components to the amount of time students will spend in a course:

- a. Class Lecture/Classwork Practice: 180 minutes a week x 15 weeks = 2,700 minutes (45 hours)
- b. Projects: 10 hours per project (reviewing, researching, revising, and publishing) x 4 projects = 40 hours
- c. Assessments: 1 hour x 7 assessments = 7 hours
- d. Final Exam: Half: 2 hours + 8 hours of study = 10 hours
- e. 33 hours/ 15 weeks = 2.2 hours each week will be for Reading/Studying/Homework.

**MAKE UP TASKS:** Make-up tasks must be pre-approved by the instructor and will only be allowed in cases determined to be emergencies or extenuating circumstances.

**EXTRA CREDIT:** Extra Credit may be given to students following the Institution Policy.

**ROUNDING:** Rounding will be utilized for the final grade only. The rounding up will occur for a grade with a decimal point of .5 or higher. For example, a final grade of 89.5 will round to 90. Any grade with a decimal point of .4 and below will be rounded down. For example, a final grade of 89.4 will round to 89. Decimal points up to two decimal places will be utilized for all non-final grades.

**GRADE POSTING/RETURN OF ASSIGNMENTS:** Grades for all assignments and projects will be returned to the student within 1-2 weeks of submission, depending on the assignment and the professor's workload.

### **ATTENDANCE**

Students are highly encouraged to attend face to face meetings of their classes, not only because they are responsible for material discussed therein, but because active class participation by every student is essential to ensure maximum benefit for all members of the class. Students who miss a class should report to their instructor upon their return to inquire about making up the work missed. Students who know that they will miss class should inform their instructor in advance in order to obtain upcoming assignments. All assignments will be uploaded on Canvas for accessibility. Students are responsible for ensuring that assignments are submitted on time.

**GROUP/TEAM ASSIGNMENTS:** The instructor reserves the right to grant differing grades to members of a group/team on an assignment. This may be due to observed participation levels by each particular group/team member.

### **ACADEMIC HONESTY**

Academic honesty is an essential aspect of all learning, scholarship, and research. It is one of the values regarded most highly by academic communities throughout the world. Violations of the principle of academic honesty are extremely serious and will not be tolerated.

Students are responsible for promoting academic honesty at Chaminade by not participating in any act of dishonesty and by reporting any incidence of academic dishonesty to an instructor or to a University official. Academic dishonesty may include theft of records or examinations, alteration of grades, and plagiarism, in addition to more obvious dishonesty.

Questions of academic dishonesty in a particular class are first reviewed by the instructor, who must make a report with recommendations to the Dean of the Academic Division. Punishment for academic dishonesty will be determined by the instructor and the Dean of Academic Division and may include an “F” grade for the work in question, an “F” grade for the course, suspension, or dismissal from the University.

For the most up to date information, please refer to the [Academic Honesty Policy](#) on the Chaminade University Catalog website.

**INCOMPLETE GRADES:** The “I” or Incomplete Grade may be awarded at the instructor’s discretion, subject to approval by the Department Director, to students engaged in passing work who due to reasons beyond their control, have yet to complete a small but essential part of the course work. This portion of the course work may consist of a final exam, a final research paper, and/or a final project. The unfinished work should be completed and submitted to the instructor as soon as practical, but no later than the middle of the following term. If there are extenuating circumstances that the instructor and Department Director agree are valid reasons for postponing completion of the course work from the end of the term for a maximum of 6 months. If the course work is not completed and submitted by the established deadline, the “I” will automatically be changed to an “F” grade in the student’s official academic record.
