Marianist Values

This class represents one component of your education at Chaminade University of Honolulu. An education in the Marianist Tradition is marked by five principles and you should take every opportunity possible to reflect upon the role of these characteristics in your education and development:

1. Education for formation in faith.
2. Provide an integral, quality education.
3. Educate in family spirit.
4. Educate for service, justice and peace, and integrity of creation.
5. Educate for adaptation and change.

This course focuses on the Marianist value of educating for adaptation and change by helping students understand what makes people think, feel, and behave the way that they do. Children and adolescents learn. This understanding not only helps us to understand other people but also ourselves.

Native Hawaiian Values

Education is an integral value in both Marianist and Native Hawaiian culture. Both recognize the transformative effect of a well-rounded, value-centered education on society, particularly in seeking justice for the marginalized, the forgotten, and the oppressed, always with an eye toward God (Ke Akua). This is reflected in the 'Olelo No'eau (Hawaiian proverbs) and Marianist core beliefs:

1. Educate for Formation in Faith (Mana) E ola au i ke akua ('Olelo No'eau 364) May I live by God.
2. Provide an Integral, Quality Education (Na'auao) Lawe i ka ma'alea a kū'ono'ono ('Olelo No'eau 1957) Acquire skill and make it deep.
3. Educate in Family Spirit ('Ohana) 'Ike aku, 'ike mai, kōkua aku kōkua mai; pela iho la ka nohana 'ohana ('Olelo No'eau 1200) Recognize others, be recognized, help others, be helped; such is a family relationship.
4. Educate for Service, Justice and Peace (Aloha) Ka lama kū o ka no'eau ('Olelo No'eau 1430) Education is the standing torch of wisdom.
5. Educate for Adaptation and Change (Aina) 'A'ohe pau ka 'ike i ka hālau ho'okahi ('Olelo No'eau 203) All knowledge is not taught in the same school

 Class Discussions (2 @ 10 pts) 20 /20
 Chapter Activities (9 @ 10 pts) 90 /90

Discussions

Two class discussion questions are posted within the modules. It is expected that each student's posts for each discussion will be approximately one page in length. The following guidelines should be used to actively and intelligently participate in the class discussions (adopted from <http://www.rasmussen.edu/student-life/blogs/college-life/tips-for-writing-thoughtful-discussion-responses//>)

- Ask open-ended questions to promote discussion. Open-ended questions require individuals to write more than a simple one- or two-word answer. Open-ended questions require the use of critical thinking skills and allow individuals to reflect on their thoughts and feelings about a particular topic.
- Don't be afraid to disagree. It is okay to disagree with what someone has to say or play the "devil's advocate." However, when you choose to disagree, remember to do so respectfully. Everyone is entitled to their own opinion and it is okay for you to offer your own interpretation.
- Give reasons for your opinion. It is important to provide reasons for your thoughts and feelings about the topic. You may even choose to make a personal connection or share a

personal experience with your classmates. Applying class information to real-world situations is a great way to demonstrate that you truly understand what you are learning.

- Think outside the box. Online discussions can get boring when everyone's posts begin to sound the same. Don't be afraid to propose a new idea or ask a probing question to generate conversation.
- Include outside resources. It is often helpful to include outside resources in your responses. Share an article or a website that is relevant to the topic of discussion. Introducing new, relevant ideas from resources, other than the provided class materials, can help take learning to the next level.

Homework

SchoolSim Simulation Activities (10 @ 10 pts) - You will find 10 SchoolSim Simulations in the course modules. After you complete each simulation, upload your "Simulation Feedback Report" and write a one paragraph reflection about what you took away from this simulation.

Chapter Activities (9 @ 10 pts) - Nine exercises are posted on the Canvas website which should be completed during the semester. Each of the activities will be worth a maximum of 10 points. Assignments should be posted in the appropriate dropboxes.

Quizzes

Chapter Quizzes (15 @ 10 pts)- After reading each chapter, reviewing the PowerPoint slides (which you can find here on Canvas in the modules) you should take the chapter quiz which you can access on Canvas.

Final Project

Signature Project (1 @ 50 pts) - Students will write and submit a 5 page double-spaced reflection paper on a topic related to Educational Psychology that they find personally meaningful. Please select a topic that you can discuss critically and include at least 5 academic references. Once you select a topic and before you start writing your paper, send a brief description to Dr. Fryxell through Canvas email for approval of the topic. The goal of this reflection paper is to provide you with the opportunity to make connections between theories or methods from the course and your past, current or future professional or personal experiences as an educator. Use APA format for all in-text citations and references. Make sure to include an introductory paragraph at the beginning of your paper which explains your interest in the topic and a concluding paragraph at the end of the paper which provides an overview

Student Conduct Policy

Campus life is a unique situation requiring the full cooperation of each individual. For many, Chaminade is not only a school, but a home and a place of work as well. That makes it a community environment in which the actions of one students may directly affect other students. Therefore, each person must exercise a high degree of responsibility. Any community must have standards of conduct and rules by which it operates. At Chaminade, these standards are outlined so as to reflect both the Catholic, Marianist values of the institution and to honor and respect students as responsible adults. All alleged violations of the community standards are handled through an established student conduct process, outlined in the Student Handbook, and operated within the guidelines set to honor both students' rights and campus values. Students should conduct themselves in a manner that reflects the ideals of the University. This includes knowing and respecting the intent of rules, regulations, and/or policies presented in the Student Handbook, and realizing that students are subject to the University's jurisdiction from the time of their admission until their enrollment has been formally terminated. Please refer to the Student Handbook for more details. A copy of the Student Handbook is available on the Chaminade website under Student Life. For further information, please refer to the Chaminade Catalog.
