Course Description

The goal of this course is to prepare you for a Freshman level writing course in English. By the end of the course, you should be able to express yourself clearly in both written and in spoken English. You will complete a variety of writing assignments which will allow you to understand the writing process which includes brainstorming, preparing an outline, preparing a draft and editing. You will also gain experience in giving and receiving feedback. I will also be offering a lab where you will be receiving individual attention.

Course Objectives

- to build a college level vocabulary in English
- to develop college level writing skills in English
- to learn and apply the different writing forms
