AMERICA: SINCE THE CIVIL WAR  
FORT SHAFTER, MON. & WED

**ORGANIZATION:** The course consists of 10 classes as outlined below. Classes begin at 5:30 p.m. and end at 9:40 p.m. The format of the course is lecture, but there will be film presentations and some class discussion

**GRADES:** Your grade for this course will be determined by your performance on the mid-term and final examinations and on your paper. The mid-term will count for 35%, the paper for 20% and the final for 45%. However, your final exam will be given greater consideration should it demonstrate substantial improvement over your mid-term. Each exam will consist of essay questions that will require you to write a series of paragraphs consisting of complete sentences. Please bring paper, preferably 8 1/2" x 11", to the exams. If you would like to have your final returned, please bring a self-addressed stamped envelope. Your grade for the course will be written on your final examination paper. No one will pass the course unless both examinations and the research paper are completed.

**PAPER:** Write a review of one of the three (3) parts of the text. Do not simply regurgitate the contents of the text but explain what you learned from it.

**TEXT:** The American People, Volume II: From 1865, Brief Second Edition, Nash, et al

**ATTENDANCE:** University regulations require that attendance be taken and that instances of two (2) consecutive unexcused/unreported absences be reported to the Dean. This policy will be followed. In addition, it is virtually impossible to be successful in this course without attending the classes.

**PROCEDURES:** Please feel free to ask questions at any time during the classes. The use of sound recorders is strongly discouraged as they will inhibit your academic development.
