TEXT: Children  
John W. Santrock (McGraw/Hill; 6th Edition)

TERM: Fall 2000 October 2, 2000 - - December 15, 2000 Mondays 4:45 p.m. - 8:55 p.m.

Course Description: The Psychological implications of human growth and behavior from infancy to adolescence, stressing affective and cognitive development.

Course Goals and Objectives: To gain an understanding of the scientific study of child development and increase wisdom of individual self-concepts regarding the stages of child development. Explore the growth and behavior of children( stressing cognitive and affective development). This mode of investigation should allow for a controlled inquiry to develop an objective, effective, and credible way of knowing.

Methods and Procedures: Text study, lectures/discussions, videos, class projects, and exams . Exams will be a combination of multiple choice, fill in the blank, and essay.

Grading: Participation – 20% (60 points) POP Quizzes – 10% (30 Points)  
Mid -Term Exam - 35% (105 points) Final Exam - 35% (105 points)

|               |   |           |           |
|---------------|---|-----------|-----------|
| Excellent     | A | 90 - 100% | 270 - 300 |
| Above Average | B | 80 - 89%  | 240 - 369 |
| Average       | C | 70 - 79%  | 210 - 239 |
| Below Average | D | 60 - 69%  | 180 - 209 |

|      |    |                             |                      |
|------|----|-----------------------------|----------------------|
| Oct. | 02 | <b>Course Introduction;</b> | Chapters 1 & 2       |
|      | 09 |                             | Chapters 3 & 4       |
|      | 16 |                             | Chapters 5 & 6       |
|      | 23 |                             | Chapters 7 & 8       |
|      | 30 | <b>Mid Term Exam</b>        |                      |
| Nov  | 06 |                             | Chapters 9 , 10 & 11 |
|      | 13 |                             | Chapters 12 & 13     |
|      | 20 |                             | Chapters 14 & 15     |
|      | 27 |                             | Chapters 16 & 17     |
| Dec  | 04 | <b>Final Exam</b>           |                      |

## **Class Participation**

During each class attendance will be taken. Class attendance and participation will be used to compute your final grade. Each class session is worth a total of 10 points. If you are unable to attend a session please advise me in advance if at all possible either via e-mail, phone, or in class.

## **Class Projects**

During class, the class will be divided into groups and each group will be assigned tasks to complete. After the project is complete the group will present their findings and listen to the other groups present their findings. Some projects will be individual written assignments to be completed and discussed in class.

## **Pop Quizzes**

Pop Quizzes will be given at the beginning of several class sessions. They will be on material which was assigned as reading for the class which is about to begin and on material covered in prior classes.
