Texts: Puntos de Partida by Knorre, Dorwick, Pérez-Girones, Glass Villareal.
Boston, Massachusetts: McGraw Hill Publishing 1996 Puntos Lab Manuel.
Maria Sabló-Yates, 1997

Course Objectives: We will begin with the introduction (ante todo) and continue through chapter 4. We will learn present tenses along with various other grammar features. We will emphasize speaking, comprehension, reading and writing as well as mastering the basics of sentence structure.

Course guidelines: Language learning is cumulative, everything new that you learn depends on everything you have learned before. Language learning demands constant study and constant review. This syllabus is set up so that you can prepare in advance the structures that will be explained and practiced in class. Attendance is crucial to success in this class. If you have to miss be sure to make arrangements to make-up whatever you miss prior to your return to class. Upon your return, you will be required to take quizzes and tests at the scheduled time. More than three absences will have a detrimental effect on your grade.

Grading Scale:

90 to 100 = A
80 to 89 = B
70 to 79 = C
60 to 69 = D
59 and below = F

Class Participation - 25%
Quizzes - 25%
Chapter Exams - 50%
