**Elementary Spanish II**, a continuation of **Elementary Spanish I**, is structured to provide students with advanced knowledge and understanding of the Spanish language using more complex sentence structures and expanded vocabulary. **Elementary Spanish II** provides (i) conversational skills to understand and articulate expressions and commands, (ii) rules and grammatical skills to read and comprehend using correct pronunciation and intonation, and (iii) knowledge and writing skills to formulate thoughts and ideas using correct grammar and syntax.

**Prerequisite:** Elementary Spanish I

**Reference Book:** Journey into Spanish. Author: Elliot Glass and Manuel Ramos, Avery Publishing Group, Garden City Park, NY, 1996.

## Elementary Spanish II

---
